ANNOUNCEMENT

MSSD-2022-08

The U. S. District Court, Southern District of Mississippi, is an Equal Opportunity Employer

POSITION OVERVIEW

The United States District Court for the Southern District of Mississippi is accepting applications for the position of INFORMATION TECHNICIAN II. This position is located at the William M. Colmer United States Courthouse in Hattiesburg, Mississippi.

The Information Technician II will work as an integral member of the IT Department team and will report to the Director of Information Technology. The incumbent will provide technical support to the Court's judges, staff and the public, as directed.

The Information Technician II will respond to help desk calls and emails from court staff concerning computer applications, mobile devices, computer desktop equipment and other electronic office equipment that supports the Court's operation. Support will also be provided for courtroom Audio/Video systems, including streaming audio and video, evidence presentation equipment, projectors, and video conferencing equipment. Travel to other locations will be required as needed.

REPRESENTATIVE DUTIES

Responsibilities of the Information Technician II include:

- Configuration, installation, and support of PC-based hardware and software, particularly the suite of software contained with Microsoft Office 365; installation and support of computer peripherals such as video display monitors, printers, scanners, and multi-function devices.
- As a member of the Court's Help Desk team, provides first level telephonic technical support to end users.
- Provides support for Court-issued mobile computing devices including Apple iPads, iPhones, Microsoft Surface Pro devices, and Windows and Apple laptop computers.
- Provides assistance to users with regard to software applications and hardware. The incumbent may also provide ad hoc end-user training as required.
- Diagnose and fix hardware and software problems; provide technical support for courtroom and conference room audio/visual equipment.
- Provides assistance with coordinating video and teleconferences for the court. Assistance may involve tasks such as scheduling, basic troubleshooting, setting up equipment, initiating calls, and monitoring equipment during conferences.
- Assists with the management of IT-related accountable property.
- Website and kiosk updating, as needed.
- Other duties as assigned.

EDUCATION AND QUALIFICATIONS

- To meet the MINIMUM requirements for this position, the applicant must possess a high school diploma or the equivalent and must have two years of general experience and at least one year of specialized experience in a position requiring the knowledge, skills and abilities which would enable the applicant to successfully perform the duties relating to this position.
 - General Experience is progressively responsible clerical, office, or other work that indicates the possession of or ability to acquire the particular knowledge and skills necessary to perform the duties of the position.

Education above the high school level may be substituted for required general experience on the basis that one academic year (30 semester hours or 45 quarter hours) is equivalent to one year of general experience. Specialized experience in progressively responsible information technology and automation experience that involves:

- Skill and proficiency in installing, troubleshooting, and training users with using Microsoft Outlook, OneNote and OneDrive and various other programs contained in Microsoft Office 365 on Microsoft Surface devices and desktop computers.
 - Skill in performing routine hardware maintenance and troubleshooting on computers, monitors, printers, scanners, etc., basic knowledge of hardware components and how they are relevant to Local Area Networks (LANs) and Wide Area Networks (WANs).
 - Skill and proficiency in working with a number of internet browsers and other commercial off-the-shelf software applications such as the Microsoft Internet Explorer, Firefox, Chrome, Symantec Antivirus, and Adobe Acrobat. Applicants must also have the ability to learn other court approved software applications as needed.
 - Skill in working with Microsoft Windows Server and Active Directory.
 - Skill in working with Microsoft Windows 10 as a desktop operating system.
 - Skills in working with Audio/Video systems.
 - Skills in working with Video Teleconferencing systems.
- The following abilities are considered absolutely critical to the job:
 - Solid understanding of computer operations in a networked environment and ability to perform hardware and software installation, maintenance and troubleshooting;
 - Ability to communicate technical information effectively (both orally and in writing) to end users in a manner in which they can understand;
 - The ability to interact effectively and appropriately with others, providing customer service and resolving difficulties while complying with the regulations, rules and procedures;
 - Strong organizational and people skills;
 - Good judgment, tact, and trustworthiness;
 - Self-motivation and initiative; and
 - Ability to:
 - ❖ Provide end user support of Microsoft Office enterprise software products including MS Outlook/Exchange email, MS Office Professional, Skype for Business, and Office 365 (including OneDrive and OneNote).

- ❖ Configure, install and support desktop and laptop/tablet computers and related peripheral devices as well as mobile computing devices (specifically Microsoft Surface and Apple iOS devices).
- ❖ Deliver quality end-user support in a fast paced, technically diverse environment, and possess a strong working knowledge of PC hardware, software, and Windows operating systems in a networked (Microsoft Active Directory) environment.
- ❖ Provide strong customer service and interpersonal communication skills.
- ❖ Work cooperatively with clients, team members, and managers.
- ❖ Handle multiple priorities in a fast-paced environment.
- ❖ Follow an assigned project through to completion.
- ❖ The ability to express oneself clearly and concisely.
- ❖ Ability to lift and move equipment up to 50 pounds.

The successful applicant must consistently perform all duties of the office in a professional and friendly manner and must reside within reasonable daily commuting distance of the William M. Colmer United States Courthouse in Hattiesburg, Mississippi.

ADDITIONAL QUALIFICATIONS

Preferred qualifications include a Bachelor’s degree in Information Technology or a similar major, training experience, and additional experience gained at a highly structured work environment such as a court or legal work environment. Previous work experience in an applicable field may also be taken into consideration as will any information technology field-related certifications.
